ABOUT OUR GROUP

We the Green Earthlings, Renuka ,Pooja Mayuri, Aishwarya and Prachi would like to present our eco-friendly, innovative and creative GREEN SEDAN.

THEME

- ❖ Making it in an innovative, creative and in an eco-friendly manner.

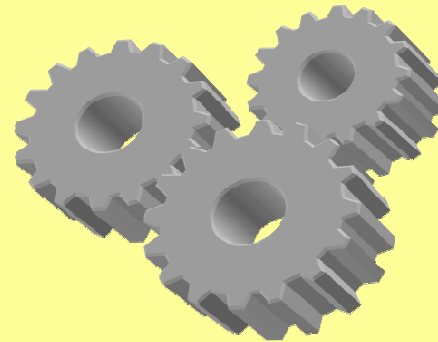

PURPOSE

- ❖ Main target shall be planting saplings in areas which cover high temperature, low rainfall and less vegetation
- ❖ Focus on spreading awareness to the people about the fact that there is pollution everywhere which is resulting in *Global Warming*

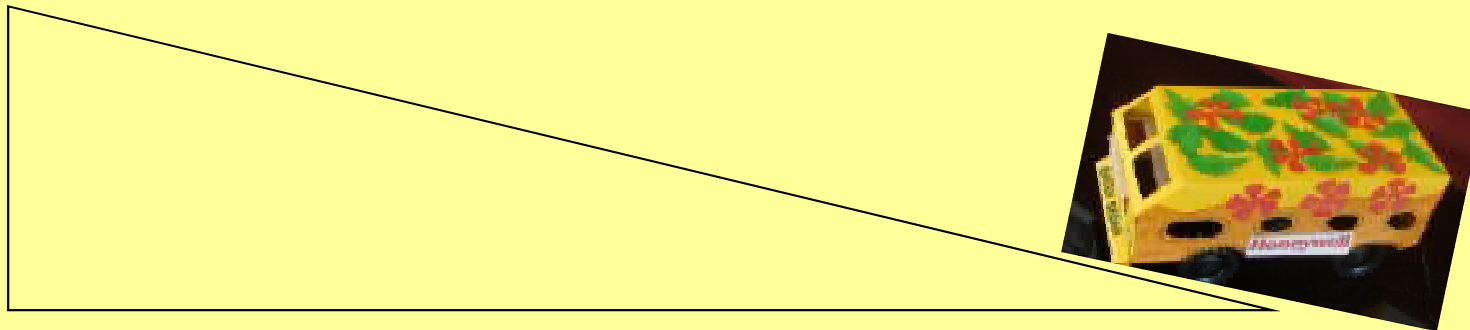

TECHNICAL DETAILS

 Climbs slopes of 15° .

 Gear ratio 1:5:3

 Speed :1m/sec.

PROBLEMS FACED

- 🔧 Deciding the theme
- 🔧 Fixing the gear ratio
- 🔧 Adjusting the wheels
- 🔧 Test drive was a challenge for us

CONCLUSION

The GREEN EARTHLINGS hope that
they will be able to make people
realize their duties towards nature

COME AND JOIN US TO MAKE EARTH
GREEN AND CLEAN !!!

BE A GREEN EARHTLING.
